**Christ Lutheran Church and School
FEE SCHEDULE 2023-2024**

RAISERIGHT (SCRIP) FEE CREDIT

The RaiseRight (scrip) Fee is a non-refundable fee paid directly to Christ Lutheran or paid to CLS via SMART. RaiseRight is Christ Lutheran's gift card fundraising platform (aka scrip), where everyday purchases enrollees make earn proceeds that empower you to offset school fees during the next school year. More information is available at www.christrpv.com. Profits from using RaiseRight (via app, website, or physical gift cards purchased at CLCS) will be applied to your account when earned by you, your family, or friends that specify you as the recipient of the profit. For a returning student, the RaiseRight profit will become a Fee Credit for the following year, reducing the amount of the RaiseRight (scrip) Fee and reducing up to \$600 of tuition. For a graduating student, the Fee Credit may be used to reduce the cost of the 8th grade field trip.

Example 1 - A family paid the \$400 RaiseRight Fee, and purchases gift cards via RaiseRight throughout the year earning a profit of \$350, which is recorded in their RaiseRight account. This results in a Fee Credit of \$350, so that their RaiseRight Fee due for the next school year will be reduced by \$350.

Example 2 - A family paid the \$400 RaiseRight Fee, and purchases via RaiseRight throughout the year earn a profit of \$625, which is recorded in their RaiseRight account. This results in a Fee Credit of \$625, so that their RaiseRight Fee due for the next school year is eliminated (that is, reduced by \$400) and their tuition due for the next school year is reduced by \$225.

Example 3 - A family paid the \$400 RaiseRight Fee. This family does not enroll in RaiseRight and chooses not to purchase any scrip during the school year. No Fee Credit is earned.

TUITION PAYMENT PLANS

You may pay your tuition in one of the following ways:

ANNUAL - Pay in full before August 4, 2023, directly to Christ Lutheran School. This option entitles you to a \$130 discount per student and does not require payment of a SMART fee associated with the SMART Program.

Please complete the Christ Lutheran Annual Payment form and return it to the school office along with your Christ Lutheran School application. **Late payment will not receive the annual payment discount.**

MONTHLY - Pay the tuition in 10 monthly installments to SMART, with the first payment due in August, 2023, or pay the tuition in 11 monthly installments to SMART, with the first payment due in July, 2023.

There is no annual discount on these monthly payment options and a \$50 annual SMART Fee per family will be added to your first payment. This SMART Fee is a charge by the SMART website and is not paid to Christ Lutheran. Please complete the SMART enrollment form and return it to the school office along with your Christ Lutheran School application.

TUITION REFUNDS FOR EARLY WITHDRAWAL (FOR ANNUAL OR MONTHLY PAYMENT)

1. If a student withdraws prior to school starting, all tuition paid so far will be refunded.
Note that Registration and RaiseRight (scrip) fees are not refundable.
2. Early withdrawal will result in the loss of any annual payment discount.
3. Non-refundable fees (registration, RaiseRight (scrip), and others listed) will not be refunded.
4. If a student withdraws from the school at any time after school begins the total tuition due will be 10% of the total yearly tuition for each calendar month or part of a month that the student was enrolled.
Any tuition paid in excess of the total tuition due will be refunded upon request.

Example 1 - For a family with one student, total yearly tuition is \$9,760 (10 payments of \$976).

If that student withdraws in September after school starts, the tuition cost would be 10% of the total yearly tuition, or \$976.

Example 2 - A family with two students made an annual payment of \$17,910 but both those students withdraw.

By withdrawing they lose their annual payment discount, so total yearly tuition is \$18,170.

If they withdraw in January, the tuition cost would be 50% of the total yearly tuition, or \$9,085.

Example 3 - For a student withdrawing in May or June, the total tuition cost is 100% of the total yearly tuition.

Nothing would be refunded.
